Hi Matt –

Welcome back! Just checking in with you on this. It sounds like you're planning to work on this today. I can work on merging what we have from people so far unless you are already doing so – if so, please send me a compiled version and I'll add the dewey burdock/EJ issue. Thanks, Kimi

Hi team,

Ex. 5 AC/AWP/DP

I've attached some of the more relevant document I've been using, in case others did not have them.

Thanks,
Matt

Hello –

Per the scheduler note, here is a (very) rough framework for a short briefing paper for KC – if you all don't mind sending me whatever you would like included in each section, I'll throw it together before our briefing. Let me know if I left anything out. No rush...
Thanks! Kimi
